Homecoming Pep Rally

A large graphic of a triangle composed of the word "ATHLETICS" repeated many times, set against a dark background with stars. The word "ATHLETICS" is written in a bold, white, sans-serif font. The letters are arranged in a grid-like pattern that forms a large triangle, with the word "ATHLETICS" repeated many times. The background is dark with several bright stars, some of which have long, thin trails. The overall effect is one of depth and repetition, suggesting a vast, open space.

*Do you need a reason to join
the Louisiana National Guard?*

*Well, here are some very good incentives —
FREE COLLEGE TUITION:*

State law provides exemption from tuition payments in all state supported Colleges in Louisiana for all active members of the Louisiana National Guard. This exemption may be claimed for five (5) separate years or until receipt of a bachelors degree, whichever occurs first.

*\$1500 ENLISTMENT BONUS
OR
\$4000 IN EDUCATIONAL ASSISTANCE*

High school seniors and graduates who enlist in certain National Guard units may receive a \$1500 enlistment bonus, or \$4000 in educational assistance.

SPLIT TRAINING PROGRAM

Split training means that your Basic Training and Advanced Individual Training in the National Guard (which must be completed within a twelve (12) month time frame) can be staggered to fit your personal schedule.

For example, you can take Basic Training the summer of your junior year. Consider it a paid full-time summer job. During your senior year of high school, you will go to the monthly National Guard meetings. Consider it a paid part-time job. Then you can take your Advanced Individual Training the next summer, be paid for that too, and be home in time to attend college, business or vocational school in September. That's two summers of full-time employment, and two years of part-time employment.
